

PR19 Customer Challenge Group – Vulnerability Sub-Group

Meeting number: 6

Meeting Date: 30th January 2018

Paper No: 2

Agenda No: 3

Title: SEW Vulnerability Strategy Framework

Author: Laura Rafferty

Purpose: For information/discussion

This framework plan will be supported by handouts at the meeting. It contains commercially sensitive information, and is confidential to the Customer Challenge Group, and the Consumer Vulnerability Sub Group.

Printing: This document contains graphs – please contact if you require a colour printed copy.

What is this paper about:	Provide the CCG members with an update on the approach to preparation of the vulnerability Strategy, with key workstreams and milestones.
Action needed from the VSG:	Provide feedback to the company in the next meeting.

Vulnerability Strategy Framework
